Cutting & Engraving

2015 Retail
Catalogue

Imprezzio - specialising in cutting & engraving, started in early 2014 from Sydney, Australia. With humble beginnings making speciality shapes catering to people that love English Paper Piecing, we have now launched a range of products in this catalogue.

How do we differ to other suppliers?

We know that all jobs and materials can be different which requires varied amounts and sizes, which is why we offer a regular or bulk pack size on all of our paper pieces for your convenience. This is not only cost effective but helps you choose more accurately what you need to complete a project without added expense. Our templates also have different seam allowances and appropriate pen holes for you to complete your job with ease.

We are also very proud to say that all of our materials are sourced and manufactured in Australia. Having our products made here means we can closely monitor quality assurance so you can have peace of mind that what you're purchasing has been tested by people that use the products.

Although we have a catalogue with a specific product range we are more than happy to create custom jobs – “challenge accepted.” If you are holding back from starting a new project for a quilt or anything for that matter because you can't find the template needed for it, send us the details or pattern and our team of talented drawers will create the perfect template that you require.

In future catalogue updates will feature new Patchwork Templates that you will be able to purchase.

Our templates are all made on a see-through blue acrylic for you to easily find on your fabric or table and some shapes also have an "iSpy" set so you can trace around the fabric too. Also, check out our exclusive “Fussy Cutting Viewers” in different sizes so you don't need to work with paper cut outs that get lost and

What future products does Imprezzio plan on doing?

Well in that sense, the sky is the limit but we will continue to provide quality products for your convenience. We will also be continuing to add to our website so be sure to check us out at www.imprezzio.net.au and while you're there be sure to like us on Facebook.

How do I place an order?

All products can be purchased directly with Imprezzio either online or by phone. All prices are in Australian Dollars (AUD) and include GST.
